**TO PRESIDENTS OF MEMBER SOCIETIES OF APAGE**

Dear Professor/Doctor

**APAGE/JGH FOUNDATION CLINICIAN-SCIENTIST TRAINING FELLOWSHIP 2024**

I am writing to draw your attention to a training opportunity in 2024 for young members of your Society, which is being offered by the Asian Pacific Association of Gastroenterology (APAGE). This Fellowship is jointly funded by the APAGE and the JGH Foundation.

The APAGE is providing a Clinician-Scientist Training Fellowship for a twelve-month period for a final year trainee or a recent trainee in gastroenterology or hepatology from one member country, to be taken in any other APAGE member country. The stipend is USD40,000 to be paid to the applicant and a stipend of USD10,000 to be paid to the host institution as a token of support to the training expenses incurred by the applicant during the Fellowship.

I have attached a file with the conditions of the award and application procedure. However, prospective candidates are required to download the application forms from the APAGE website at <http://www.apage.org/trainingfellowship.html>

**The closing date for applications is 30<sup>th</sup> June 2024.**

I shall be grateful if you could draw this to the attention of your members.

Yours sincerely,

Choon-Jin Ooi  
President  
Asian Pacific Association of Gastroenterology
