Presidents of APAGE Member Societies

Dear Professors/Doctors

APAGE RESEARCH PROGRAMME AWARD 2020

We are pleased to announce that the Asian Pacific Association of Gastroenterology has set up a Research Programme Award to be offered to its member societies to encourage, stimulate and aid gastroenterological researches.

The overall objective of this Award is to foster closer cooperation and to strengthen friendships among gastroenterologists in the Asian-Pacific region by providing research fund to one promising multi-national research project coming from the APAGE member societies.

We shall be grateful if you could kindly disseminate the information to the members of your organization and include a link <http://apage.org/index.html#anc001> on your organisation's website.

Attached are the following documents for your information and dissemination:

1. Guidelines for the Award
2. Grant Proposal Outlines
3. Application Form

The closing date for applications is 31st September 2020.

Thank you very much.

Yours sincerely

Professor Dai-Ming Fan
